

# The Jacksons, (Come 'Round Here) I'm The One

Now you say... everytime you need some affection  
The one you love goes in another direction  
You just sit back in a daze reunising  
'cause you know some other lips, she's been kissing

Now when you need the love you never saw you come 'round here  
And when you need some loving arms to hold you come 'round here  
Now I may not be the one you want (honey, honey)  
But I know, I'm the one you need (honey, honey)  
Say now, I may not be the one you want (honey, honey)  
But, I know, I'm the one you need (honey, honey)

Your life stands still the minute he goes  
You count the hours just hoping he shows

Girl, can't you see while you're looking for his touch (honey, honey)  
That I won't want to love you so much (honey, honey)  
And while you're looking for kissing friends (honey, honey)  
You're lovely with the tears on your face (honey, honey)

Now when you feel the need to cry to someone cry to me

And when you feel the need to lean on someone lean on me  
Now, I may not be the one you want (honey, honey)  
But I'm sure not the one you need (honey, honey)  
now, I may not be the one you want (honey, honey)  
But I'm sure not the one you need (honey, honey)

Now, the day, the days, the days you sit round by yourself  
He's out fooling round with somebody else  
Leaving you alone here with nothing to do  
He's just waiting till he has time for you

Now, when the loveliness gets hard to play, girl come 'round here  
And when you need a little chicken lover care, girl come 'round here

Now, I may not be the one you want (honey, honey)  
But, I'm sure not the one you need (honey, honey)  
Now, I may not be the one you want (honey, honey)  
But, I'm sure not the one you need (honey, honey)

( repeat and fade out )
