

# The Jacksons, I Can't Quit Your Love

do do do do wah ohhh  
do do do do wah

The love was standing on is shakey ground  
There ain't no way on earth to hold you down  
And every road I take to you instead oh losing ooh yea ha

I gonna find a boat to row away  
Where I won't be reaching for you night and day  
Where there's no windows ain't no doors  
to let your love in ooh I, I

(Chorus)  
I can't quit your love, ooh yea  
No matter how hard I try to  
I can't quit your love, no I can't  
I keep running back to you  
You know I can't quit your love ooh yeah!

You snap your fingers and I feel on fire  
Like silly spinning wheels of desire  
You have to be a bird with wings to get me higher

The minor things for me has lose control  
The weakness of my judgement rules my soul  
You know you got each claim in me after the wire ooh!
