

# The Jam, But I'm Different Now

Picked you up and let you down and  
I never said a word -  
But I'm different now and I'm glad that you're my girl  
Mess you 'round and upset you I  
hurt you most of all -  
But I'm different now and I'm glad that you're my girl

Fun lasts for seconds, love lasts for days but  
But you can't have both -  
And I'm different now but I'm glad that you're my girl

Because I know I done some things  
That I should never have done  
But I'm different now and I'm glad that you're my girl
