

The Jayhawks, I Hear You Cry

Hello my little chinadoll
Did I do something wrong ?
Should I ask you for forgiveness
Or should I just leave you alone
We need some quiet conversation
We can tell each other lies
Maybe we could light a fire
If we tend it it'll work out right

Chorus:
Don't you know how I hear you cry
But everything's all right
Don't you know how I feel inside
But everything's all right

There was a time I thought we'd make it
I didn't mean to bring you down
But I dream about you always
Just tell me I should let it go now

(Chorus)
