## The Jayhawks, Reason to Believe

If I listen long enough to you I find a way to believe its all true One that your lash try face while I cry Still I look to find a reason to believe Chorus: Someone like you Makes it hard to live without somebody else Someone like you Makes its easy to give Never thinking about myself If you give me time to change my mind I find a way just to leave the best behind One that your lash try face while I cry Still I look to find a reason to believe (Chorus) \* 3
