

# The Jesus And Mary Chain, Head On

As soon as I get my head round you  
I come around catching sparks off you  
I get an electric charge from you  
That second hand living it just won't do

And the way I feel tonight  
I could die and I wouldn't mind  
And there's something going on inside  
Makes you want to feel makes you want to try  
Makes you want to blow the stars from the sky  
I can't stand up I can't cool down  
I can't get my head off the ground

As soon as I get my head round you  
I come around catching sparks off you  
And all I ever got from you  
Was all I ever took from you

And the world could die in pain  
And I wouldn't feel no shame  
And there's nothing holding me to blame  
Makes you want to feel makes you want to try  
Makes you want to blow the stars from the sky  
I'm taking myself to the dirty part of town  
Where all my troubles can't be found
