

# The Kelly Family, All Along The Way (I Will Be With You)

You and I are the best of friends I know  
and my chance to be true and never alone  
Should I fail to keep a promise to you  
then forgive, help me grow along with you  
I love you so  
with my heart and soul  
I will be with you  
all along the way  
Like roses grow  
through warm and cold  
I will be with you  
all along the way  
Where you go or what you do, Ill follow you  
Ill be there and be a hand to guide you through  
My little rose full of strength, Ill trust in you  
we will share our burdens till one must go  
I love you so  
with my heart and soul  
I will be with you  
all along the way  
Like roses grow  
through warm and cold  
I will be with you  
all along the way  
Rose Marie, tu vois tous les roses  
tu vois tous les dances  
cest ton imagination, Rose Marie  
Es tu dances, dances, dances dans les bois  
es tu dances toute seule dans les bois  
Rose Marie  
I love you so  
with my heart and soul  
I will be with you  
all along the way  
Like roses grow  
through warm and cold  
I will be with you  
all along the way 2x
