

# The Kelly Family, Baby

What's a baby worth, a little baby  
What can a baby be? More than we can see.  
What's a baby worth, a little baby  
What can a baby do? More than we can dream.  
What can we be worth, a little you and me  
What can we be? More than we can see.  
What can we be worth, a little you and me  
What can we do? More than we can dream.
