

# The Kelly Family, Come Back To Me

Long time, some time ago  
you broke my heart  
and you broke my soul  
you keep on going  
on and on  
and i was hoping  
that you'll come back  
Won't you come back to me,  
come back to me my love  
Come back to me, come back to me my love  
Won't you come back to me,  
come back to me my love  
You kept on hoping  
for the day to come  
when you and i  
would be like one  
it never happened  
why should i lie  
always hoping that you'll come back  
Won't you come back to me,  
come back to me my love  
Come back to me, come back to me my love  
Won't you come back to me,  
come back to me my love  
And he will come  
and fill my heart  
with the love  
that i want  
Long time...
