

The Kelly Family, Fee fee the flea

I must have walked a mile
Till I got to the bobo strump
Elephant Bobo said
"Goodmorning flea"
Im pleased to meet you
my name is fee fee
Oh yeah
Since then weve been
the biggest friends now
We traveld side by side
you see whos here to hide
Fee fee the flea
Fee fee the flea
His name is fee fee the flea
Fee, fee...
Theres the tree not too far from here
It gots the sweetest green leaves
That youve ever seen
Through the jungle, we have got
to cross this tree
Where the perfect tingles
We just walk and walk walk walk
walk walk
walk walk walk
But then theres little problem
theres a million bees
But they wont get to me
Fee, fee...
