

The Kelly Family, God give me reasons

God give me a reason, give me a reason to go on.

God give me a Reason, give me a reason to go on.

I once knew someone,
some month ago this man is gone.

If I only had one more chance,
I would give you what you want.

Its too late, its too late,
when you got AIDS.

Its too late, its too late,
when you got AIDS.

I wanna be reborn,
like a child in the world.

But you only get one chance
to show what you are.

Its too late, its too late,
when you got AIDS.

Its too late, its too late,
when you got AIDS.

God give me the power, give me the power
to fight in you name.

God give me the power
to fight in your name.

Ittoo late, its too late,
when you got AIDS.

When you got AIDS.
When you got AIDS
