

# The Kelly Family, Hallelujah

Fell in love with a beautiful girl  
With a beautiful girl that I've never seen  
She told me to be strong  
Someone I loved fell behind  
I tried to hold on but I'm not strong  
Cause she told me she told me  
I'm speechless I'm out of control  
Hallelujah to my Mama  
Hallelujah she's in heaven  
Hallelujah to my Mama  
She's in heaven, heaven  
Took by pride and my job away  
I had a choice to leave or stay  
And I stayed yes I stayed now  
Took my choice and fought like a dog  
Took the chance and now I'm back  
And I made it cause she told me  
I'm speechless it's in the name of mom  
Hallelujah to my Mama ...  
Won't let go too easy  
I won't let go too easy  
Cause I know  
I know now  
Cause we know  
We know now  
Hallelujah to my Mama ...
