

# The Kelly Family, I

All the animals in the world  
whos going to rescue them  
who says that Noahs going to  
come around ones again  
Ill swim, Ill swim, Ill swim  
and Ill never stop  
until I get across the sea  
Mama, Mama, Mama  
why did you have to leave  
I need you now  
Love was just a dream 2x  
All the animals in the world  
what have we done to them  
whos going to tell our children  
where and why theyre all gone  
Ill run, Ill run, Ill run  
and Ill never stop  
until I get to be free  
Mama, Mama, Mama  
why did you have to leave  
I need you now  
Love was just a dream 2x  
Stop killing, stop killing,  
stop killing animals!  
Stop killing, stop killing,  
stop killing animals!  
I cant take no more  
Im drifting to the shore  
I cant take no more  
Im knocking on your door, ohoooh  
Ill swim, Ill swim, Ill swim  
and Ill never stop  
until I get across the sea  
Mama, Mama, Mama  
why did you have to leave  
I need you now 3x
