

# The Kelly Family, I can't stop the love

Heavens eye take a look at me  
Cause the devils got my eyes set on you  
There was a time, I was feeling blind  
but now I believe in love, and you're the reason why  
Refrain:

I can't stop the love. I can't stop the love  
You're giving me  
I have kissed the honey lips  
of the red roses in spring, flower baby  
I can sing for the poor and the free  
I have walked the streets, the streets of glory  
Refrain:

I can't stop...  
Honey girl, your happiness is my reward  
I wanna be the soon you touch, the sugar you eat  
Girl, you are my lollypop, you're my sensation,  
your smile is my salvation  
Refrain:

I can't stop...  
I'm a man with a sailor's soul  
but I'm gonna anchor my heart in you forever  
but you can sew our hearts together  
and I will surround you in the chains, the chains of flame  
Refrain:  
I can't stop..
