

The Kelly Family, Mystic knights

Mystic knights
have come to save our lives
Mystic knights
are here now
Long ago in ancient times
The world was full of magic rhymes
the prophets of the Mystic Knights
The true young heroes brave and bright
but then the dark forces came
Brought the people endless pain
now the children have no fear
Cause they know the mystic knights
Are here
Mystic knights
Have come to save our lives
Mystic knights
Have come to save our time
Mystic knights
Have come to save our lives
Mystic knights
Are here now
Long ago in ancient times
In the land of Tir Na Nog
The little people sang their rhymes
with drawing wisdom from their
gold mines
Now theres happiness in "Kells"
Cause the little people gave their spells
The children now no longer fear
Cause the days of mystic knights
Are here
Mystic knights
have come to save our lives...
