

The Kelly Family, Saban's Mystic Knights Of Tir Na Nog

Mystic Knights have come to save our lives
Mystic Knights are here now
Long ago in ancient times
There was a scrawl of magic rhymes
It prophesied the Mystic Knights
The true young heroes brave and bright
Then the dark forces came
And brought the people endless pain
Now the children have no fear
Cause they know the Mystic Knights are here
Mystic Knights have come to save our lives
Mystic Knights have come to save our times
Mystic Knights have come to save our lives
Mystic Knights are here now
Long ago in ancient times
In the land of Tir Na Nog
The little people sang their rhymes
While drawing wisdom from their gold mines
Now there's happiness in 'Kells'
Cause the little people gave their spells
The children now no longer fear
Cause the days of Mystic Knights are here
Mystic Knights have come to save our lives
(Mystic Knights) Mystic Knights have come to save our times
(Mystic Knights) Mystic Knights have come to save our lives
(Mystic Knights) Mystic Knights are here now
(Mystic Knights) Mystic Knights are here now
Mystic Knights
(Mystic Knights) Mystic Knights have come to save our lives
(Mystic Knights) Mystic Knights have come to save our times
(Mystic Knights) Mystic Knights have come to save our lives
(Mystic Knights) Mystic Knights are here now
(Mystic Knights) Mystic Knights have come to save our lives
(Mystic Knights) Mystic Knights have come to save our times
(Mystic Knights) Mystic Knights have come to save our lives
(Mystic Knights) Mystic Knights are here now
(Mystic Knights) Mystic Knights have come to save our lives
