

# The Kelly Family, She's Crazy

I know one thing: That the truth  
In her eyes makes me love her  
Sticks could break her little fine bones  
But words could never harm her  
She is crazy, she is crazy  
You can't hurt her, you can't break her  
I see the sky through her eyes  
And the sun shines through her smile  
Sticks and stones can break her bones  
But words can never harm her  
She is crazy, she is crazy  
You can't hurt her, you can't break her  
She is crazy, she is crazy  
You can't hurt her, you can't break her  
The roses are cryin'...  
The roses are cryin'...  
I miss her more  
Than words can express  
Her lonely dances like a waterfall  
She is crazy, she is crazy  
You can't hurt her, you can't break her  
She is crazy, she is crazy  
You can't hurt her  
You can't break her  
You can't break her
