

The Kelly Family, Wasting All My Time

Wasting All My Time
Living in a love affair
Get a little love for free
Maybe he's a millionaire
Or maybe just he wanna be
Say you're not fair now
Say you're not fair now
Lady in the session fair
Don't tell me what you got for me
If love is just a thing you were
Then tell me what'll sad you free
Hey, I'm not scared now
Hey, I'm not scared now
Wastin' all my time with you
Losing all my face it's true
You taking all my love with you
Everybody's running scared
Dream about a family
And just in case you're not aware
This is generation me
Say I'm not scared now
Say I'm not scared now
Wastin' all my time with you
Losing all my face it's true
You taking all my love with you
Wastin' all my time with you
Losing all my face it's true
You taking all my love with you
Wasting precious life it's true
You're taking all my love with you
Take it all use it all
For you I do it all
I do it all again for you just for you
