

The Kelly Family, Why don't you go

The love we had was so nice
I fell so terribly sorry
and now I'm paying the price
I'm just so terribly sorry
why does it hurt me so bad
I only learn when I'm burning , oh now
and now it's making me sad
cause I know you're not returning. So
Why don't you go 2x
If you have to live your life
I'll let you go 2x
If you have to live your life
Look haw far we have come
it all seems so unnecessary
before the pain there was fun
and there was nothing to worry
some things are hard to understand
the reasons for your departure, oh now
with no destination no plan
but I know if you stayed it' be harder
all right now
Why don't you go 2x
If you have to live your life
I'll let you go 2x
If you have to live your life
Dogs bark lauder threes grow stronger
when there's peace at mind ... oh
the ocean waters will be calmer now
Just look haw far we have come
I feel so terribly sorry
I put it down on a song
so I can erase the memories
everybody now
Why don't you go 2x
If you have to live your life
I'll let you go 2x
If you have to live your life
