

# The Killers, Bones

(Come with me!)

We took a back road, we're gonna look at the stars  
We took a back road in my car  
Down to the ocean, it's only water and sand  
And in the ocean, we'll hold hands  
But I don't really like you  
Apologetically dressed in the best  
Put on a heartbeat glide  
Without an answer, the thunder speaks for the sky  
And on the cold, wet dirt I cry  
And on the cold, wet dirt I cry

Don't you wanna come with me?  
Don't you wanna feel my bones on your bones?  
It's only natural

This cinematic vision ensues  
Like the holiest dream  
There's someone calling, an angel whispers my name  
But the message relayed is the same

(wait til tomorrow you'll be fine)  
but its gone to the dogs in my mind  
always hear them when the dead of night  
comes calling to save me from this fight  
but they can never wrong this right

Don't you wanna come with me?  
Don't you wanna feel my bones on your bones?  
It's only natural

Don't you wanna swim with me?  
Don't you wanna feel my skin on your skin?  
It's only natural

I never had a lover  
I never had soul  
And I never had a good time  
I never got bold

Don't you wanna come with me?  
Don't you wanna feel my bones on your bones?  
It's only natural

Come and take a swim with me  
Don't you wanna feel my skin on your skin?  
It's only natural
