

# The Killers, Romeo And Juliet

A lovestruck Romeo sings the streets a serenade  
Laying everybody low with a love song that he made  
Finds a streetlight steps out of the shade  
Says something like, "You and me babe, how about it?"

Juliet says, "Hey it's Romeo, you nearly gave me a heart attack"  
He's underneath the window, she's singing, "Hey la, my boyfriend's back.  
You shouldn't come around here singing up at people like that.  
Anyway, what you gonna do about it?"

Juliet, the dice was loaded from the start  
And I bet, that you exploded in my heart  
And I forget, I forget, the movie song  
When you gonna realize, it was just that the time was wrong, Juliet?

Come up on different streets, they both were streets of shame  
Both dirty, both mean, yes and the dream was just the same  
Then I dreamed your dream for you, and now your dream is real  
How can you look at me as if I was just another one of your deals?

You can fall for chains of silver, you can fall for chains of gold  
You can fall for pretty strangers and the promises they hold  
You promised me everything, you promised me thick and thin, yeah  
Now you just say "Oh Romeo yeah, you know I used to have a scene with him"

Juliet, when we made love you used to cry  
I said I love you like the stars above, I'll love you 'til I die  
There's a place for us, you know the movie song  
When you gonna realize, it was just that the time was wrong, Juliet?

I can't do the talk like they talk on the TV  
And I can't do a love song like the way it's meant to be  
I can't do everything but I'd do anything for you  
I can't do anything 'cept be in love with you

And all I do is miss you, and the way we used to be  
And all I do is keep the beat, the bad company  
And all I do is kiss you through the bars of Orion  
Juliet I'd do the stars with you any time

Juliet, when we made love you used to cry  
I said I love you like the stars above, I'll love you 'til I die  
And there's a place for us, you know the movie song  
When you gonna realize, it was just that the time was wrong, Juliet?

And a lovestruck Romeo sings the streets a serenade  
Laying everybody low with a love song that he made  
He finds a convenient streetlight, he steps out of the shade  
Says something like, "You and me babe, how about it?"
