

# The Killers, When You Were A Starlight

Far away  
The ship is taking me far away  
Far away from the memories  
Of the people who care if I live or die  
Starlight  
I will be chasing the starlight  
Until the end of my life  
I don't know if it's worth it anymore  
Hold you in my arms  
I just wanted to hold  
You in my arms  
My life  
You electrify my life  
Let's conspire to ignite  
All the souls that would die just to feel alive  
But I'll never let you go  
If you promised not to fade away  
Never fade away  
Our hopes and expectations  
Black holes and revelations  
Hold you in my arms  
I just wanted to hold  
You in my arms  
Far away  
The ship is taking me far away  
Far away from the memories  
Of the people who care if I live or die  
And I'll never let you go  
If you promise not to fade away  
Never fade away  
Our hopes and expectations  
Black holes and revelations  
Our hopes and expectations  
They say the devil's water, it ain't so sweet  
You don't have to drink right now  
But you can dip your feet  
Every once in a little while  
Starlight  
I will be chasing the starlight  
Our hopes and expectations  
Black holes and revelations  
Hold you in my arms  
I just wanted to hold  
You in my arms  
I just wanted to hold
