

The Kingston Trio, Come Along, Julie

Down through the meadows I was humming a song. Looking at the skies as I take my little Julie ba

Watching her eyes as I tell her of the day. The day that's gonna come when I'll take my little Julie a

Chorus:

Come along, Julie, follow the sun. We'll be leaving long before the fall winds come.

Listen for a robin singing in the trees. Look toward the hills and be watching little Julie for me.

(Chorus)
