

# The Kingston Trio, We Wish You A Merry Christmas

Paul Campbell

Once in a year it is not thought amiss to visit our neighbors and sing out like this:

Chorus:

We wish you a merry Christmas. (Repeat twice)  
And a happy new year.

We want some figgy pudding. (Repeat twice)  
And a cup of good cheer.

We won't go until we get some. (Repeat twice)  
So bring it out here.

Of friendship and love, good neighbors abound and peace and good will the whole year around.  
Why can't we have Christmas the whole year around? (Repeat this line then the chorus, twice)
