

The Kingston Trio, Weeping Willow

Bob Shane/Nick Reynolds/John Stewart

Chorus:

Bury me beneath the willow, 'neath the weeping willow tree. When she hears that I am sleeping, m

When will I see her? I know not when, not unless it's up in heaven above.

(Chorus)

She told me that she really loved me. How could I believe her untrue
When all the angels seemed to whisper she will prove untrue to you?

(Chorus)

Maybe then she'll think of me. Ooooo.
