The Kinks, Big Sky

Big Sky looked down on all the people looking up at the Big Sky. Everybody pushing one another around Big Sky feels sad when he sees the children scream and cry But the Big Sky's too big to let it get him down.

Big Sky too big to cry Big Sky too high to see People like you and me

One day we'll be free, we won't care, just you see 'Til that day can be, don't let it get you down When I feel that the world is too much for me I think of the Big Sky, and nothing matters much to me.

Big Sky looked down on all the people who think they got problems They get depressed and they hold their head in their hands and cry. People lift up their hands and they look up to the Big Sky But Big Sky is too big to sympathize

Big Sky's too occupied Though he would like to try And he feels bad inside Big Sky's too big to cry

One day we'll be free, we won't care, just you wait and see 'Til that day can be, don't let it get you down.
When I feel that the world is too much for me
I think of the Big Sky, and nothing matters much to me
