

The Kinks, Catch Me Now I'm Falling

I remember
When you were down
And you needed a helping hand
I came to feed you
But now that I need you
You won't give me a second glance
Now I'm calling on citizens from all over the world
This is captain America calling
I bailed you out when you were down on your knees
So will you catch me now I'm falling
Help me now I'm calling you
Catch me now I'm falling
I'm in your hands, it's up to you
Catch me now, I'm falling
I remember
When you were down
You would always come running to me
I never denied you
And I would guide you through your difficulties
Now I'm calling on citizens from all over the world
This is captain America calling
I built you up when you were down on your knees
So will you catch me now I'm falling
Help me now I'm calling you
Catch me now I'm falling
I'm in your hands, it's up to you
Catch me now, I'm falling
When you were through, you would come to me
And I would always pull you around
Now it's your chance to do the same for me
And your secretary tells me sorry, but you've gone out of town.
This is captain America calling
This is captain America calling
Help me now I'm calling you
Catch me now I'm falling
I'm in your hands, it's up to you
Catch me now, I'm falling
I stood by you through all of your depressions
And I lifted you when you were down
Now it's your chance to do the same for me
I call you up, and your secretary tells me that you've gone out of town
This is captain America calling
This is captain America calling
Catch me now, I'm falling
I was the one that built you up
Through all your depressions and difficulties
I never thought that you would let me down
But the next time you're in trouble, baby
Do not come running to me
Now I'm calling all citizens from all over the world
This is captain America calling
I built you up when you were down on your knees
So will you catch me now I'm falling
Catch me now, I'm falling
