

# The Kinks, Live Life

Have you heard about trouble throughout the land  
With the fascists and the left wing militants  
Out of work executives are killing themselves  
And the I.R.A. are killing everybody else  
Don't panic, don't lose control  
Keep your head, keep ahold  
Act normal there's nothing wrong  
Stay cool, just carry on

You gotta live life and be yourself  
You can't live life for anyone else  
You gotta live life that's all you do  
Nobody gonna live your life for you

Don't get depressed when you read in the press  
About world revolution and social unrest  
Try not to panic when you switch on the news  
And see crooked politicians and the unemployment queues  
It's only life it's really fine  
So don't you believe all you read in the headlines  
Live life see it through  
Carry on it's all you can do

You gotta live life for yourself, can't live for anyone else  
You gotta live life, that's all you do  
Nobody gonna live their life for you

Extra verse from long version:  
Trendy intellectuals always take action,  
for every cause that's ever been in fashion.  
Weekend revolutionaries protest and sing  
because they're dedicated followers of any old thing.  
They got every solution for every revolution.  
They live in the slums just like the poor people do  
but they'd rather sniff coke instead of glue.  
Right-wing fascists beat up the blacks,  
then they salute the Union Jack.  
You can't pretend there's nothing wrong,  
it's not the end, so just carry on.

Oh, life's a mother, oh, life's a mother  
Oh, life's a mother, oh, life's a mother

You gotta live life for yourself, can't live life for anyone else  
You gotta live life, that's all you can do  
Nobody gonna live their life for you

Live life, you gotta live life  
You gotta live life, you gotta live life
