The Knife, Lasagna

Charlotta making lasagna With Mia above the clouds Charlotta making lasagna With Mia above the clouds But you could have waited You could have locked yourself up For ten years or so And when you finally came out There would still be no chances for you Charlotta running around with Felicia Charlotta running around with Felicia But you could have waited You could have locked yourself up For ten years or so And when you finally came out There would still be no chances for you I look for looks and I search for breaths Sneaking (???) Thinking about death I look for looks and I search for breaths Sneaking (???) Thinking about death You did full sky by car And leaving town for a while You are a yellow surprise No ?distant? water is friendly sometimes But you could have waited You could have locked yourself up For ten years or so And when you finally came out There would still be no chances for you But you could have waited (waited) But you could have waited (waited) I look for looks and I search for breaths Sneaking (???) Thinking about death I look for looks and I search for breaths Sneaking (???) Thinking about death Waited Waited Waited
