The Knife, We Share Our Mothers Health

We share our mothers' health

We came down from the north Blue hands and a torch Red wine and food for free A possibility We share our mothers' health It is what we've been dealt What's in it for me? Fine Then I'll agree

Trees there will be Apples, fruits maybe You know what I fear The end is always near

Trees there will be Apples, fruits maybe You know what I fear The end is always near

Say you like it Say you need it When you don't Looking better Shining brighter Than you do
