

# The Kooks, Come on down

come on down love,  
i've come to see you  
cause i am down, love  
only when i'm with you  
when i'm with you  
when i'm with you  
when i'm with you i feel fine  
i lose my mind  
i feel fine  
oh yes but you have the most beautiful...  
here i am love  
i've come to be with you  
cause i get lost now  
when i'm not around you  
when i'm with you  
when i'm with you  
when i'm with you i feel fine  
i lose my mind  
i feel fine  
oh yes but you have the most wonderful...  
sha la la la la  
when i'm with you  
when i'm with you  
when i'm with you  
i feel fine  
and i lose my mind  
i feel fine  
oh yes and you have the most beautiful mind.
