

The Kooks, Eaten By Your Lover

Ooo eaten by your lover,
Don't you eat no friend of mine,
Ooo eaten by your lover,
Don't you eat no friend of mine,
Don't you eat no friend of mine.

All my little ladies eating up the gravy,
All my little ladies eating up the gravy,
All you little ladies eating up the gravy yeah.

Ooo eaten by your lover,
Don't you eat no friend of mine,
Ooo eaten by your lover,
Don't you eat no friend of mine yeah,
Don't you eat no friend of mine.
