

# The Kooks, I'm Always Willing To Be

Say whatever you want, i, i'll never judge you  
be whoever you want me to be oh you know i just don't  
Care, you know i just dont care  
cus im always where i need to be  
And i always thought i would end up with you eventually  
Do Do Do Do Do Do Do  
Do Do Do Do Do Do Do  
Be whoever comes naturally to you, oh ill take you any where  
Say whatever comes into your head you know i just dont  
Care, you know i just dont care  
cus im always where i need to be  
and i always thought i would end up with you eventually  
Do Do Do Do Do Do Do  
Do Do Do Do Do Do Do  
Care, you know i just dont care  
care, you know i just dont care  
cus im always where i need to be  
And i always thought i would end up with you eventually  
Do Do Do Do Do Do Do  
Do Do Do Do Do Do Do  
Do Do Do Do Do Do Do  
Do Do Do Do Do Do Do
