

# The Kooks, Love It All

See I've got this woman here  
She loves me all the time  
No need for excuses  
And no pressure's in my mind

She said  
Love it all  
Love it all  
Love it all

My heart was living down  
And I've been pushed over the line  
But on your hand It'd be broken  
And I'll be all over this time  
Cause she said

Love it all  
Love it all  
Love it all

She said  
Love it all  
Love it all  
Love it all
