

The Last Shadow Puppets, BAD HABITS

Bad habits
Sick puppy
Say: Hi!
Knee deep

Do you wanna hold hands?
Should we go back down?
She wanna show dance?

Should've known, little girl that you'd do me wrong
Should've known by the way you're showing off

Bad habits, yeah
Bad habits, oh!
Bad habits, yeah
Bad habits, wrrr!

Deep trouble
Red lolly-pop
Pale faces
Oh right
Delicious

Do you wanna hold hands?
Should we get back down?
She wanna show dance?

Bad habits, yeah
Bad habits, oh!
Bad habits, yeah
Bad habits, wrrr!

There's a black infinity parked outside blocking somebody in

Should've known, little girl that you'd do me wrong
Should've known by the way you're showing off
Should've known, little girl that you'd do me wrong
Should've known by the way you're showing off

Bad habits, yeah
Bad habits, oh!
Bad habits, yeah
Bad habits!
