

# The Last Shadow Puppets, The chamber

Leave yourself alone  
Leave yourself alone  
(Leave yourself alone)  
Can't you see  
You're only here  
To be torn apart  
Based upon  
And nothing else  
So leave yourself alone  
Leave yourself alone  
Tell your wasted time  
Tell your wasted time  
Tell your wasted time  
That I am worse  
And I would wish they'd all  
Give him a chance  
I owe apologies  
So tell your wasted time  
Tell your wasted time  
It's torture  
Locked inside the chamber  
Cornered by yourself  
Cornered by yourself  
(Cornered by yourself)  
You must admit  
That you are the instigator  
Hanging on to arguments  
And your cornered  
By yourself  
Cornered by yourself  
It's torture  
Locked inside the chamber  
Lost inside the chamber  
Locked inside the chamber  
About right I think
