

The Left Rights, Hardonz

Oh my goodness
Hardonz fuck me up
And it make me want to touch and entertain myself
And a that's a no good
And now this is very very very bad
It makes me huge
And now I have to go and masterbate
Oh my goodness
Hardonz fuck me up
And it make me want to touch and entertain myself
And a that's a no good
And now this is very very very bad
It makes me huge
And now I have to go and masterbate
masterbate, getting messy
All over myself, all over myself
I came, I came, all over myself
All over myself, all over myself
I came, I came, all over myself
