

The Legendary Pink Dots, Curious Guy

Smash me into little pieces, put me in a cup,
add sugar, stir me, warm me up, and drink me.
I want to get inside you. I want to light your heart.
I want to lick your secret valleys, slide through alleys,
(dance from stone to stone?).
I want to hear you moan in ecstasy. You're shy, you shouldn't be.
I just want to get to know you better, to know you better, know you better.
I'm a curious guy.(x3) I spy.
There's blood in my eyes.
I'm a furious guy.(x2) I die.
(I'm great in cans; I'm great on toast.....)
