

# The Legendary Pink Dots, Methods

Dive like a swan in a pond, as the train rolls in. Close your eyes, hold your breath - , you'll be holding it forever. There are methods, many methods - take a pill. Swallow one by one. It's easy, it's so easy - you can drift away to heaven. Many methods, there are methods - like a blade on the wrist you can carve your initials. It's messy, but it's effective - and a method. Another method ... select and slip away. Tightropes, and nightshades and shady streets where knives are swinging (methods!) swing, swing away on a rope - it's a method. another method....Airports, motorways - take a dive, take a dive...Methods. Methods. .Just select and slip away (x3) Methods. Just select and slip away...Methods. Methods.... Just select and slip away. Take alive, take a life, take a dive....
