

# The Lemonheads, Come Back D.A.

Now satan is all over this world

You wanna find him

I wanna find him

now satan is everything you are

Everything I am

When I pledge

I'm not like you

I'm not like him

I'm so nice thing

no such like him

now the soul he didn't see it

he didn't mean it

he didn't see it

my ruthie doll

blind as a bat

slow as a turtle

I give up to you right now my lord
