

# The Lemonheads, Hannah & Gabi

Got me watching your eyes watching things go by outside  
Out the window of a train  
Easy sipping them just seeing it fly left to right  
Pour the milk and Ill say when

Im out wandering around.  
Youre but one thing Ive found.  
I dont mean to bring you down.  
Im out wandering around.

Kinda hoped you wouldnt blame me  
I cant wake up every day and find the same me  
You can scream but Ill just dream how you might disappear  
All I know is its never clear

I cant hold you near.  
You just are not here.  
Though it wasnt hard or far.  
I walked you to your car.

Oh....
