

The Lemonheads, Hannah & Gabi

Got me watching your eyes watching things go by outside
Out the window of a train
Easy sipping them just seeing it fly left to right
Pour the milk and Ill say when

Im out wandering around.
Youre but one thing Ive found.
I dont mean to bring you down.
Im out wandering around.

Kinda hoped you wouldnt blame me
I cant wake up every day and find the same me
You can scream but Ill just dream how you might disappear
All I know is its never clear

I cant hold you near.
You just are not here.
Though it wasnt hard or far.
I walked you to your car.

Oh....
