

# The Lemonheads, Paid To Smile

Could you see your way clear  
and arrange your eyes away from mine  
Sorry I'm here  
but you get paid get paid to lie  
You get paid to smile

Would you really say hello  
and let me carry my own guitar  
and please don't hold the door  
I can work the handle on any car  
It's really not that hard

smile, paid to smile  
smile, paid to smile  
oooh

the cigarette girl took off her tray  
and dropped her dress in a shiny pile  
pulled her pants up on her way  
when gets home she'll laugh a while  
she gets paid to smile

smile  
smile  
smile  
smile  
smile  
smile
