

The Lightning Seeds, Life's Too Short

I've got the feeling you've got the feeling (x6)

Oh love, don't go away
I wish you'd stay
Can I change your mind
I'm the king of dreaming in a wishful way
When I'm wide awake
But there comes a time

And I see that (and I see that)
What I'm needing (what I'm needing)
Is a feeling (is a feeling)
To believe in (to believe in)

Maybe it's true
And I'm just a fool
Who's making us blue
When life's too short

I've got the feeling, you've got the feeling
I've got the feeling, you've got the feeling

Oh love is kind of tempting fate
It's an unknown state
In a place I can't find
And now I know I've kind of lost my way
But I keep the faith
With an open mind

And I see that (and I see that)
What I'm needing (what I'm needing)
Is a feeling (is a feeling)
To believe in (to believe in)

Maybe it's true
And I'm just a fool
Who's making us blue
When life's too short

Aah, aah, ooh, aah

And now I know I'm kind of lost
And now I know I'm kind of lost
And now I know I'm kind of lost
And now I know I'm kind of lost (keep the faith)
And now I know I'm kind of lost (keep the faith)
And now I know I'm kind of lost (keep the faith)
And now I know I'm kind of lost (keep the faith)
And now I know I'm kind of lost

Maybe it's true
And I'm just a fool
Who's making us blue
When life's too short

I've got the feeling, you've got the feeling (x3)

Oh, I've got the feeling you've, you've got that feeling too
(I've got the feeling, you've got the feeling)
Oh, I've got the feeling you've, you've got that feeling too
(I've got the feeling, you've got the feeling)
(Life's too short) oh I've got the feeling you've
(Life's too short) you've got that feeling too
(I've got the feeling, you've got the feeling)

(Life's too short) oh I've got the feeling you've
(Life's too short) you've got that feeling too
(I've got the feeling, you've got the feeling)
