

# The Lightning Seeds, Marooned

The Life of Riley by The Lightning Seeds

---

Lost in the Milky Way,  
Smile at the empty sky and wait for,  
The moment a million chances may all collide.  
I'll be the guiding light,  
Swim to me through stars that shine down.  
And call to the sleeping  
World as they fall to Earth.  
So here's your life,  
We'll find our way,  
We're sailing blind,  
But it's certain nothing's certain.  
From cradles and sleepless nights,  
You breathe in life forever,  
And stare at the World  
from deep under eiderdown.  
Although this World is a crazy ride,  
You just take your seat and hold on tight.  
For the first time,  
I don't mind,  
I get the feeling,  
You'll be fine,  
I still believe,  
That in this World,  
We've got to find the time,  
For the Life of Riley
