

# The Like, The One

I'm not shouting  
I'm just talking  
You're not listening  
You're just looking  
Take one in to  
Get another  
In one ear and  
Out the other

I'll stop here  
I'll stay there  
I'll never be  
The one you love

Count your losses  
Stop your whining  
Must admit you've perfect timing  
I'll just wait here  
For an answer  
Your opinion  
Still advancing

I'll stop here  
I'll stay there  
I'll never be  
The one you love  
The one you love

I'm not shouting  
I'm just talking  
I'm not shouting  
You're not listening  
I'm just talking  
You're just talking

I'll stop here  
I'll stay there  
I'll never be  
The one you love

I'll stop it  
I'll stay there  
I'll never be  
The one you love  
The one you love

The one you love  
The one you love  
The one you love
