

The Like, Waves That Never Break

Waiting alone in the darkness
Racing for something
Hoping it stays
Watching the waves
Watch as they break
Leaving you nothing
Waiting to wake

Lost in disarray
Waves that never fade
And you walking on by
You can't deny
You're making no change
Oh, you walking on by
I couldn't speak
Cuz neither am I

Waiting alone in the darkness
Racing for someone
Hoping they stay
Watching the days
Watch as they fade
Leaving you nothing
Waiting to wake

Lost in disarray
Waves that never break
And you walking on by
You can't deny
You're making no change
Oh, you walking on by
I couldn't speak
Cuz neither am I

Break me or something
Cuz I'm fading away
Am I waiting for nothing?
Am I dead or awake
Cuz I won't wait
But I won't break
Cuz...

Waiting alone in the darkness
Smiling and falling
Too frightened to say
We can't live this way
We can't still obey
When all's come to nothing
Who can still wait?

Lost in endless days
Waves that never break
And you walking on by
You can't deny
You're making no change
Oh, you walking on by
I couldn't speak
Cuz neither am I
