

The Lynns, Someday

(Peggy Lynn/Patsy Lynn/James Lewis)

Someday, your gonna love me baby just you wait
Gonna put aside the games you play, someday

Oh someday your gonna whisper my name
Look in my eyes and then proclaim your love, someday

Someday, someday, your gonna come around
'Til then I'll spend every second countin' down

Someday, when you think you made your getaway
Your gonna find your heart will stay, someday

Someday, someday, your gonna come around
'Til then I'll spend every second countin' down

Oh someday, your gonna love me baby just you wait
Gonna put aside the games you play, someday

Someday
Someday, hey hey
Someday
