

# The Lynns, Woman To Woman

(Peggy Lynn/Pasty Lynn/Philip Russell)

Well I beg your pardon girl  
But I think it's time we had a talk  
You know exactly who I am  
And what I want  
You seem to be a bit confused about what's your's and what's mine  
So I came in here tonight to show you the light

Woman to woman  
Face to face  
Oh, I got no intentions of letting my man slip away  
Woman to woman

It's no secret around this town about the games you like to play  
And that band of gold on his hand to you, it don't mean one thing  
It's not that I don't trust him, 'cause honey, I know right where his heart is  
And as tempting as you may be, it's me he's in love with

Woman to woman  
Face to face  
I got no intentions of letting my man slip away  
Woman to woman

Now, I'm not about to give him up  
Let's get that straight between the two of us

Woman to woman  
Face to face  
Oh, I got no intentions of letting my man slip away  
Woman to woman

You better understand  
'Cause when it comes to his love  
Girl you got a fight, on your hands  
Woman to woman  
Woman to woman  
Woman to woman  
Hey, yeah  
Woman to woman  
Hey, yeah
