

# The Magic Numbers, Love Me Like You

Don't let your white dress wear you out  
Oh it hurts to look in your eyes  
'Cause honey I can see him

All my life  
I'd hurt the ones I'd loved  
Oh but baby you can turn it round

She don't love me like you  
She don't know what you do  
And it's so hard  
She don't care what you say  
So just say it, say it anyway  
It's so hard

All my life, they tried to push me down  
Oh but baby you can turn it round  
Oh but honey I still see him

Don't let your friends tell you why  
'Cause I'm a bad, bad, bad  
I'm the one  
Oh but baby you can turn it on

She don't love me like you  
She don't know what you do  
And it's so hard  
She don't care what you say  
So just say it, say it anyway  
It's so hard

All those years gone by  
I only wanna find a way  
To make it hard for you

All those years gone by  
I only wanna find a way  
To make it hard for you

You'll never forget it  
The way that she let  
She don't feel the same  
I only wanna find a way  
To make it hard for you

You'll never forget it  
The way that she let  
She don't feel the same  
I only wanna find a way  
To make it hard for you

She'll never forget it  
The way that she let  
She don't feel no pain  
I only wanna find a way  
To make it up to you

She'll never forget it  
The way that she let  
She don't feel the same  
I only wanna find a way  
I only wanna find  
I only wanna find

She don't love me like you  
She don't love me like you  
She don't love me like you  
She don't love me like you  
She don't love  
She don't
